Two Are Better Than One: God Has a Purpose for Your Marriage

West Palm Beach, FL: Greg and Julie Gorman have an important, life-changing message for married couples in their newest book ***Two Are Better Than One*** (Broadstreet Publishing, June 2016).

With so many books written to help couples “fix” their marriage, Greg and Julie offer a new vision for every marriage by encouraging couples to “Stop trying to *fix* your marriage; instead live into God’s purpose for it.” ***Two Are Better than One*** is an incredible resource that helps couples live *purpose-focused* NOT *problem-focused* in their relationship. God truly has a specific design and purpose for every marriage. The day you married, God joined you for a purpose and destined you and your spouse, together, for greatness.

Ecclesiastes 4:9-12 says, “Two are better than one, because they have a good return for their work: If one falls down, his friend can help him up. But pity the man who falls and has no one to help him! Also if two lie down together, they will keep warm. But how can one keep warm alone? Though one may be overpowered, two can defend themselves. A cord of three strands is not quickly broken.”

Two Are Better Than One helps couples discover:

- God’s specific purpose for their marriage (through insights and hands-on resources designed to help them celebrate and step forward, united as one)
- A shift in mindset from “fixing” their spouse to dreaming together to fulfill God’s destiny for their marriage
- The benefits of working together and seizing opportunities to build one another up through daily encouragement and prayer, while resisting the need to compare and compete.
- A new way of living *purpose-focused* NOT *problem-focused* in their daily lives
- How to invite the limitless power of God to accomplish in their marriage what they could never accomplish alone
- Significance and fulfillment in marriage by living out God’s design for their marriage.

Two are Better Than One will change the way married couples view their marriage and as a result affect every facet of their lives as they seek to honor God and discover how they fit into his beautiful Master Plan.
